*MDLIVE physicians may not treat any children with urinary symptoms. Parents/guardian will be required to complete a different medical history disclosure form for children under the age of 36-months prior to making an appointment with an MDLIVE physician. Children under 36 months who present with fever must be referred to their pediatrician (medical home), child-friendly urgent care center or emergency department for clinical evaluation and care.

MDLIVE does not provide any healthcare services and is not an insurance product or a prescription fulfillment warehouse. MDLIVE does not replace the primary care physician. MDLIVE operates subject to state regulation and may not be available in certain states. MDLIVE does not guarantee that a prescription will be written. MDLIVE does not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. Contents in this material are not a substitute for professional healthcare advice, diagnosis or treatment. MDLIVE healthcare professionals reserve the right to deny care for potential misuse of services. MDLIVE interactive audio consultations with store and forward technology are available 24/7/365 for medical services only, while video consultations are available during the hours of 7 am to 9 pm 7 days a week or by scheduled availability for medical and behavioral services. MDLIVE and the MDLIVE logo are registered trademarks of MDLIVE, Inc. and may not be used without written permission. For complete terms of use visit www.mdlive.com/pages/terms.html
